

15th International Conference on Web-Based Learning

(ICWL 2016)

26-29 October 2016, Rome, Italy

<http://icwl2016.dis.uniroma1.it>

ICWL is an annual international conference on Web-based learning, founded by the Hong Kong Web Society. The first ICWL was held in Hong Kong in 2002. Since then, ICWL has been held in Australia (2003), China (2004), Hong Kong (2005), Malaysia (2006), United Kingdom (2007), China (2008), Germany (2009), China (2010), Hong Kong (2011), Romania (2012), Taiwan (2013), Estonia (2014) and China (2015).

The 15th ICWL will be held in Rome, Italy. It will feature a technical program of refereed papers selected by the International Program Committee, keynote addresses, poster sessions, and a Doctoral Consortium.

ICWL Paper Submission:

Authors are invited to submit original papers reporting on research results or novel applications in technology enhanced learning. Submitted papers have to be in pdf format, and according to the Springer LNCS Authors Guidelines.

Submissions are subject to double-blind review process; acceptance will be as either *Full Paper* (10 pp. max.) or *Short Paper* (6 pp. max.).

All accepted papers presented at the conference will be published in a volume of Springer Lecture Notes in Computer Science (LNCS). Please note that ICWL 2016 organizes also a Poster Session (see ICWL web site).
